

The COMPANION

PORTABLE GUN STORAGE & HUNTING KENNEL

The Secure Weatherproof Storage System For All Your Hunting Adventures

Designed to fit full-size pickup trucks

Unit is constructed of fiberglass with a white gel coat exterior on the top and kennel doors for easy clean up

The hardware is all corrosion proof stainless steel and aluminum; all four doors keyed alike

2 point lift system makes it easy to put the unit in and take it out of your truck

Mounting brackets secure the unit to the pickup bed rails
